For Rock Climbing:

Climbers of all ages can participate in auto belay where no lesson or certification is needed. However, In order to belay your Little, a lesson and certification is required if not previously obtained. By taking a Belay Lesson, you'll learn to safely manage the rope in order to keep the climber and belay partner safe. Additionally, you'll learn the proper harness safety checks, knots, and climbing commands. After taking the class and before your first time climbing, you'll be certified to climb and belay for the day. In order to ensure proper safety and knowledge of the belay techniques, all participants in the beginner's belay class will be required to officially belay certify on a later visit. Reservations are **strongly** recommended due to our class cap of 5 students per class. (Classes fill up fast!) Private classes are available at additional cost with reservations only.

Cost: BBBS matches pay \$10 (for belay lesson only)
