Big Brothers Big Sisters of San Diego County Celebrates National Mentoring Month with Exclusive Lunch for Matches

What: Big Brothers Big Sisters of San Diego County is thrilled to announce the upcoming "Celebration of Mentoring Lunch," an exclusive event in commemoration of National Mentoring Month. National Mentoring Month is a time to recognize and celebrate the positive impact of mentoring relationships, and Big Brothers Big Sisters is proud to contribute to this cause through its dedicated efforts in San Diego County. The "Celebration of Mentoring Lunch" serves as a testament to the organization's commitment of fostering meaningful connections between adult volunteers, known as "Bigs," and the youth they mentor, referred to as "Littles."

This special luncheon is designed exclusively for matches, bringing together mentors and mentees for a delightful afternoon filled with camaraderie and celebration. The event is made possible through the generous sponsorship of Sam Kambo, whose support underscores the importance of mentoring in shaping the future of our community.

When: Sunday, January 28, 2024, starting at 12:00 PM

Where: Royal Banquet, 8990 Miramar Road, San Diego, CA 92126
